

Software Developer - Bold

The Bold team is looking for a full-time Software Developer to help us expand and grow our suite of ecommerce applications and platforms.

As a Developer on the team, you'll have the opportunity to work with other highly skilled Developers to create and foster new, groundbreaking online businesses.

As a Developer, you will bring passion for development and an eagerness to build awesome software.

At Bold our software developers all share some important [core values](#) and are passionate about [shipping code](#).

If you want to join one of Manitoba's fastest growing tech companies and work with the top developers around, we encourage you to apply.

Here's what we need from you

- Motivated and passionate about shipping high quality software
- Ability to take a feature from concept to production
- Passion for building cool things and getting stuff done
- Ability to apply software design patterns in a real-world environment
- Comfortable with Linux
- Experience with or interest in TDD, CI, and CD
- Experience with Relational SQL Databases (MySQL)
- Have a grasp on basic web security concepts (SQL injection & XSS)
- Experience working with and designing REST APIs
- Great communication skills
- Post Secondary education in Computer Science or equivalent program and related work experience

Other skills that will get you far

- PHP, Javascript or Golang
- Experience working with Laravel, or other Symfony based frameworks
- Javascript with frameworks like React, Angular, VueJS
- Docker
- Knowledge of Continuous Integration/Delivery tools
- Being a generally awesome human being. We want someone cool to work with. It makes the office a better place for everyone

- Impress us with anything else you can do! Juggle knives, make a killer mixtape, or making delicious pastries

How to apply

If you think you have what it takes to be Bold, send your resumé and cover letter to jobs@boldcommerce.com. Include the job title in the subject line. We thank everyone for their interest in Bold, however only those who are suitable for the position will be contacted for interviews.

To learn more about Bold, and to see the other career opportunities, please visit: www.boldcommerce.com/careers.

We get a lot of applicants so we encourage you to do something that stands out. Go above & beyond when you apply so you don't get lost in the mix. Talk about a cool project you've done, link to your github, or just impress us with your personality.

Show that you have what it takes to be Bold.

What is Bold Commerce?

Bold Commerce is a software company located in Winnipeg, Manitoba. We specialize in groundbreaking ecommerce applications and tools. Some of our clients include Shopify, LA Lakers, Cirque du Soleil, The Chive (and many others).

Our development methodology follows the agile manifesto closely. We believe in allowing our developers a lot of responsibility and autonomy, so we offer a casual and fun work environment with flexible work hours. We offer an Employee Share Ownership Program, so that everyone in our company has a voice. Collaboration and teamwork are paramount at Bold, which is why we offer daily catered lunches for all employees, staff parties, and beer on tap!

At Bold, we work hard and we play hard! If you are a potential Builder and think you've got what it takes to be Bold, we encourage you to apply. We promise it will be a career like no other! What it means to be Bold

Here at Bold, we live by the Bold Builders Code. The Code is our shared set of practices, beliefs and values that help to shape this amazing company. Each employee is a Builder, and we are all dedicated to growing Bold to be the biggest, best company it can be. We employ people who want to do their very best work for our customers, for their co-workers, for the company as a whole, and for their own personal satisfaction and growth. We believe in accountability to one-another, in innovation, in being transparent in everything we do, and in measuring success through results.

Bold is one of Manitoba's fastest growing tech companies, with a unique company culture that encourages and rewards creativity. We're looking for Builders, who are dedicated to doing an amazing job, who want to stretch the boundaries, who are eager to impress, and who thrive on standing out from the crowd.
