Be part of the future of Digital Insurance!

Lead the journey and be a part of the Future with Wawanesa’s Digital Lab Team.

We have several openings for top talent majoring in computer science as an Artificial Intelligence & Machine Learning Developer.

We’re also looking for individuals from other majors with a passion for research, analysis and innovation as an Innovation Analyst.

Now Hiring for:
- Asper & Computer Science Co-op Positions (Winter Session)
- 4 Month (January – April) paid internships for non-coop students

Are you looking for an opportunity to work for a team with a direct line to senior management and the ability to help influence and shape the future of insurance?

Consider an Artificial Intelligence & Machine Learning Developer position at Wawanesa to work on researching Machine Learning techniques and algorithms to build POC’s.

For more information attend our Innovation Lab Information Session:
